

the Friday News

Together we achieve our best!

Summer Fair

After the Whit holidays we will be planning a summer fair in school. We alternate our summer events between whole school trips and an event on the school grounds. We will be looking for parents to get involved and are looking for new ideas to make this a great event and also a good opportunity to raise fund for our school.

Last time we even had Blackpool donkeys!

There will be a short meeting on Wednesday 13th June after school to discuss ideas. Everyone is welcome!

Our website has been totally revamped and has lots of examples of your children's fantastic work and achievements.

You can also follow us on Facebook and Twitter!

Lots to celebrate this week!

It has been a busy couple of weeks for some of our school teams - All have been very successful.

The chess team have had one their most successful years ever, winning a number of trophies and representing Tameside as well. Super!

The Netball team were in action again this week and were runners up in the Catholic High 5s tournament at St Thomas More High School, Denton. The girls only lost one match on the night and were a credit to our school.

The boys football team won the Tameside Catholic Tournament over two nights culminating in an unbeaten run in the finals. A fantastic result!

SATs Week 14th-18th May

Annual SATs

Next week all the children will be completing their annual tests. Children should try not to worry about these and just do their best!

All children should be well rested, and on time every day.
Good Luck
