

Reception Newsletter – 28/9/18

What a great start to the first few weeks of Reception! The children have all settled so well, making new friends and having lots of fun at school. We have been enjoying getting to know the children and also parents/carers. We would like to thank you for your patience at home time while we are still getting to know everybody's faces.

We have enjoyed visiting the allotments, feeding the chickens and ducks and picking beautiful flowers. We also had a trip into the forest to see what we could find!

We would like to remind you how important it is for your child to have their bags in school every day, along with their reading books and lotto's (if applicable). Thank you for supporting your child with their reading.

Here are some of the books we have enjoyed sharing this week:

Don't forget, you can go on the school website and see pictures of what we have been up to! Along with other information. The website is www.st-stephens-droylsden.tameside.sch.uk
