

# Reception Newsletter – 19/10/18

Books of the week:

In mathematics, we have been talking about pattern and enjoying making patterns throughout a variety of activities.

This week we have really enjoyed starting our Halloween celebrations. We have been painting witches, making wands, making broomsticks and potion making. We have had so much fun! Take a look on the website to see.

A big thank you to the parents/carers who attended the parent's evening. We enjoyed getting the chance to speak with you about your child and their progress so far. Please don't hesitate to come in and speak to us after dismissal at the end of the day if you have any concerns.

**DON'T FORGET!**

School finishes for the half term holidays next Friday 26<sup>th</sup> October as normal at 3pm. We return to school on Monday 5<sup>th</sup> November.
