

Reception Newsletter – 26/10/18

Books of the week:

We have been little authors and have been making our own books using our phonic knowledge to write in them. We have illustrated them too and decorated them with special gems. We have seen some amazing stories from the children!

Thank you for the socks that you have sent into school. The children have continued exploring pattern and have really been enjoying matching up the socks. Ask your child to help at home with pairing up the socks, they will be a great help!

This week, the children have loved decorating biscuits with our Halloween theme, adding icing and lots of sprinkles. They have also enjoyed making chocolate apples with sprinkles, they all looked delicious!

We hope you all have a lovely week off school and come back all refreshed ready for another fun half term!
