

Reception Newsletter – 5/10/18

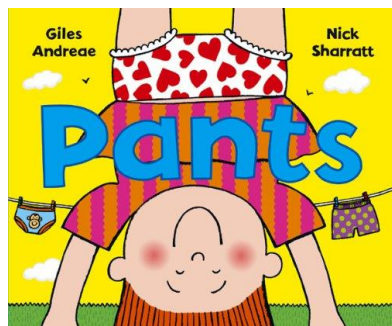

Book of the week:

Just like the Little Red Hen, we baked bread this week. We mixed the ingredients together and baked it in the oven. Then we enjoyed tasting the bread with some jam. It was delicious!

We have tasted a variety of fruits this week and carried out a survey to find out which we liked the best and which fruit was the most popular. We have a display on the wall showing our favourites.

We have been talking about patterns and shape. We have been designing our own patterned pants just like the book 'Pants'.

In our phonics lessons, we are learning new letter sounds and learning how to blend.

We have been talking about being kind and helpful to our friends.

Our website is updated at the end of every week with photographs of what we have been up to. Go online and have a look! Our website is:
