

# Reception Newsletter – 16/11/18

Book of the week:

This week, we have made our own Jackson Pollock masterpiece!

In maths, we have been learning about size and ordering objects in size order.

We have now started practising the songs for our Christmas Carol Concert. Don't forget to bring in your costumes in a labelled bag.

We really enjoyed the Jack and the Beanstalk pantomime on Monday. It was so funny and we loved watching it! Everybody sat beautifully. Well done Reception!
